

# Touch Event Hall: New platform for events

## essay writing service uk student

A new two-level space for events and chamber weddings has opened on the sadden embankment. We tell you what you need to know about the Touch Event Hall.

### Touch Event Hall: Name and Interior

Touch name contains the concept of touching art in everything: in the interior, design, details, kitchen. With the welcome zone guests welcome hands from the Moenki Michelangelo, the creation of Adam, thereby configuring a special event to the atmosphere.

### Touch Event Hall: Hall

The new platform includes 4 halls. The main hall accommodates up to 50 guests with banquet seating. Wine room, with a capacity of 10 to 15 persons, excellent location for chamber events or Welcome zone for corporate events. And for those who prefer complete privacy, the WP-Cabinet is provided on the second floor, which accommodates up to 8 guests. For lovers to hold an event at a height in Touch Event Hall, it is offered to stay on the balcony, with a capacity of 18 to 30 people.

### Touch Event Hall: Kitchen

Brand Chief Nikita Kuzmenko creates new Russian cuisine, based on experiment and fermentation. Aperitif or digestive guests are offered by author's nontrivial cocktails from Vasily Zheglov.
